

Franklin Bahl Development Company Presents Oak Knoll

CHOICE LOCATION — Franklin Bahl Development Company offers you homes nestled among the Los Altos Foothills in Cupertino, which makes Oak Knoll the most outstanding location in the Santa Clara Valley. You will have spectacular views, moderate climate and a true feeling of suburban seclusion. This picturesque residential community is among numerous schools, churches, shopping centers and various recreational, business and cultural centers. Rural atmosphere is maintained, yet access to the freeways is but minutes away. That's why in a Franklin Bahl Home you can enjoy to the fullest the best of everything that is Oak Knoll.

A MAGNIFICENT HOME — Franklin Bahl homes are of a quality created especially for prestige living. Lasting value is planned and built in every home. You may select from many exciting varieties of spacious floor plans and distinctive exterior designs. Oak Knoll is an architecturally planned community. This type of planning has made so many of Franklin Bahl Developments aesthetic and practical. Quality, design, optional features and alternate floor plans meet the needs of the most sophisticated home buyer. Franklin Bahl developments have for many years set the pace among builders for having the best design, while offering the home buyer a sound investment.
